As you work to grow our business, it pays to have trusted allies on your side — people who understand your needs and have experienced similar challenges.

As a member of the Greater Antelope Valley Economic Alliance (GAVEA), you’ll have access to industry experts, sage advice from experienced colleagues and referrals to key business resources throughout the region.

GAVEA is the only region-wide promoter of business opportunity for our dynamic high-tech triangle which reaches from Acton to Ridgecrest and Boron to Tehachapi.

GAVEA also produces the area’s single best resource for economic data, the annual Economic Roundtable Report as well as the periodic Labor Base Analyses and other proprietary and collaborative research.

These invaluable tools provide both existing area executives as well as potential relocating CEO’s with timely, accurate and insightful information you’ll find nowhere else.

We invite you to become part of this important voice for Southern California’s Leading Edge. You will gain new perspective and intelligence only GAVEA can deliver.

An investment of as little as $208/monthly can provide your organization with the opportunity to improve and sustain the economic vitality of our region.

If you’d rather not do it alone, if finding allies in enterprise is important to you, join us in our quest to create a more vibrant and heathy regional economy in GAVEA today.

Our mission is to enhance our regional economy with job creation by engaging in strategic efforts of business retention, expansion and attraction.

For the better part of two decades, GAVEA has been a major force in helping businesspeople to create, maintain and expand their companies and wealth-creating local jobs that they provide.

Through outreach, education and collaboration, we’re making the world well aware of our 3,000 square miles of opportunity — accessible, affordable and available.

If your organization is unable to join GAVEA at this time, consider offering your tax-deductible contribution in any amount to our affiliated Antelope Valley Economic Research and Education Foundation. This 501(c)(3) organization is dedicated to furthering the research and education critical to the retention, expansion and attraction of wealth-creating jobs and opportunities within our region.
